

# 1. IMS Policy

storm-tec was established in 2009 and provides PPE, work wear, safety equipment and specialist all-terrain vehicles to business, commercial and charity sectors in Northern Ireland and the Republic of Ireland.

It is the policy of storm-tec to provide a high quality product range and high quality service that is consistent with the expectations and requirements of our clients. Our commitment to delivering consistent, high quality performance is met by adherence to an Integrated Management System. Our Integrated management system establishes controls to allow us to satisfy the requirements of ISO 9001:2015 and ISO 14001:2015 and our customers, , to demonstrate our commitment to the protection of the environment and pollution prevention, to comply with Environmental legislation or other compliance obligations and to foster a culture committed to excellence and continual improvement.

The Company is committed to the ongoing improvement of the Integrated Management System through the establishment of objectives in Quality and Environmental management programmes, and the involvement of staff in meeting these objectives. The objectives are reviewed at annual management review meetings.

All personnel are responsible for the effectiveness of the Integrated Management System and are responsible for implementing and maintaining the IMS.

We ensure that this policy is understood, implemented and maintained in the company through the provision of training and regular communication.
